

LINEN CHEST

COVID-19: Precautionary measures we're taking.

Dear Valued Customers,

For your safety and that of our employees, we ask you to please respect the following measures:

Our Specialists Must:

- Keep a safe distance at all times
- Wear a badge to identify themselves
- Wear a mask at all times
- Not shake hands
- Take off their shoes when entering
- Wash their hands upon arrival at the client's home (20 seconds)
- Not accept any beverages offered to them
- Not use the client's restroom at any time
- Only touch what is necessary for them to work
- Disinfect their tablet and pen before asking for signature

Our Clients Must:

- Wash their hands before touching the sample books or tablet
- Clear out anything blocking windows or other accesses to allow our specialists to take measurements
- Disinfect the workspace for the specialist prior to their arrival
- Limit the number of people in the room during the appointment
- Keep their animals away from our specialists (if applicable)

Thank you for your understanding.
